Identification of Document:

Memo Of. Plans For ADSO; subj: Cover for Semi-Covert Personnel; lp
Attachment: Reply to Security Officer/CIA lp

Abstract Notation References:

Replies to memo from Security Officer/CIA regarding responsibility for cover for semi-covert personnel. Recommends retention of responsibility in the Liaison Control Office rather than in the Cover Division as recommended for the following reasons:

- Liaison Control Officer is presently performing the duties
- The Security Officer/CIA does not give any reasons for suggested changes
- Liaison Control Officer has a staff and the experience to handle credit references and cover problems
- Without assignment of additional personnel and passage of time needed to gain experience, Cover Division cannot perform as well as the Liaison Control Office

Assumption of this responsibility should be kept out of Cover Division until firm plans

Document Location:

HS/CSG 295 folder 12

and doctrine have been achieved to guide Cover Div. in this field. Further, the assumption of additional work at this time would reduce the present effectiveness of Cover Div. in its primary mission.

IDENTIFICATION OF DOCUMENT

Memo of R. H. Hallenkoetter, Rear Admiral, USN, Director of Central Intelligence, for Assistant Director/OSO and Assistant Director/OPC, Chief/I and S, Subject: Security and Operational Clearances; with attached introductory memo for Chief/I and S, dated 10 Feb

ABSTRACT NOTATION REFERENCES

1949; 7 p

Necessity for uniform security and clearance regulations is cited. The guiding principle will be to collect extensive information on all individuals concerned. Notes two types of clearance: Security and Operational. Designates which kind of Agency employee is to receive which kind of clearance, and the procedures covering the granting of clearances. This includes Covert Investigation of background and the roles played by the offices involved in the granting of clearance.
